DETAILED ACTION

Allowable Subject Matter

Claims 3-16 are allowed.

Comments

In the examiner's opinion, missing Figure 4 is not detrimental to understanding the scope of the claims. The cross-sectional view of a three layered golf ball with dimples is well known to be understood within the art without an illustration. Though to avoid abandonment after Notice of Allowability, a drawing of Figure 4 should be submitted or specification be amended to remove language from under the "Brief Description of Drawings".
